

What is the YMCA Scholarship Program?

Designed to help those who have the inability to pay full fee for membership and programs at the YMCA.

How do I apply for a YMCA Scholarship?

You should apply for assistance at your home branch. Each branch has a separate assistance application. Please visit your branch to receive an application and answer any other questions you may have.

Besides the application what do I need to turn in with the application?

You will need to provide your proof of income in order for the application to get processed. Approved forms include: tax returns, SSI, disability award letter, and pay check stubs.

How do you determine who receives a scholarship?

Each application is reviewed and several factors are taken into consideration when granting or denying an application. We look at income, family size and any special circumstances you may have.

How long can I be on scholarship?

You can continue to be on scholarship as long as you need the assistance. Scholarships must be renewed every six months with a new application turned in and most recent proof of income.

How much can I receive?

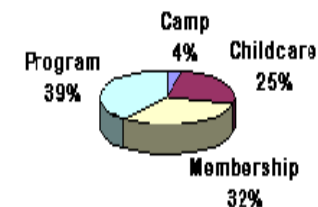

The YMCA offers scholarships from 5-50%

Where does the assistance come from?

Each year an annual sustaining campaign raises money throughout our community. Last year the YMCA of the East Valley raised \$469,534 to go towards the following:

Scholarships by Type

Camp	\$17,491
Childcare	\$118,225
Membership	\$152,673
Program	\$188,323
Grand Total	\$476,712

“Our goal is not to turn anyone away because of inability to pay. The YMCA provides financial assistance, based on need, to those demonstrating they are unable to pay in full. This is made possible by contributions of generous donors.”
